

### **General Pro Bono Working Group**

**Charge:** The General Pro Bono Working Group shall undertake a review of current pro bono services, programs and opportunities available for attorneys in Connecticut and explore different ways in which pro bono services may be increased. Additionally, the Working Group shall partner with other stakeholders to determine the feasibility of establishing new pro bono programs. The working group should consult with the chairs of other groups such as law schools; modest/moderate means and libraries to determine if there are areas in which they can work together. Finally, the Working Group shall collaborate with the CBA to undertake a study of new legal services delivery methods including how traditional law firm business models are being challenged by new models such as RocketLawyer and LegalZoom.
