

Minutes of Meeting Executive Committee

May 27, 2010

A meeting of the Executive Committee was held pursuant to notice May 27, 2010 at 2:00 p.m. in the Attorney's Conference Room, State Supreme Court Building, 231 Capitol Avenue, Hartford, CT.

Present:

Appellate Court Judge Thomas A. Bishop, Superior Court Judge Barbara M. Quinn, Chief Court Administrator and Chair, Superior Court Judges Barbara N. Bellis, Robert C. Brunetti, William T. Cremins, James J. Devine, Carmen E. Espinosa, A. Susan Peck, Eddie Rodriguez, Jr., Angelo L. dos Santos, Carl J. Schuman, Patricia A. Swords, and Bruce W. Thompson. Superior Court Judges Patrick L. Carroll III, Deputy Chief Court Administrator and Raymond R. Norko attended at the invitation of the Chair.

Report on Administration of IOLTA

Judge Quinn called the meeting to order and introduced Judge Norko who had been invited to address the Committee concerning the administration of the Interest on Lawyers Trust Accounts (IOLTA) program. Rule 1.15(g)(4)(B) of the Rules of Professional Conduct requires the Connecticut Bar Foundation each year to submit certain detailed information about the program to the Executive Committee. The report of the Connecticut Bar Foundation dated May 21, 2009 was distributed to members via email. A summary of the report is attached to these minutes as Appendix A. The supporting documentation for the report was placed on the Connecticut Bench Intranet Website for review.

Judge Norko opened his remarks by informing the Committee that Attorney Timothy S. Fisher had recently been elected President of the Connecticut Bar Foundation. He reported that income generated through the IOLTA program continued to decline this fiscal year. He estimated that income for the 2009 – 2010 fiscal year would reach approximately \$4,000,000.

He also reported that the income generated from the Court Fees Grants-in-Aid program is estimated to reach \$8,000,000 this fiscal year. He noted that a recent audit of the funds had found no problems.

Judge Quinn reported that the Judicial Branch will provide financial support for legal services through the Judicial Branch Grants-in-Aid program. The amount of funding will be determined when the Judicial Branch budget is analyzed. Judge Carroll and Attorney D'Alesio were recognized for their efforts in developing the Court Fees Grants-in-Aid program.

Subjects for Ratification Only

At the conclusion of Judge Norko's report, Judge Quinn asked the committee to turn its attention to the "Subjects for Ratification Only" portion of the agenda. A motion was made and seconded to ratify the appointment, promotion, and transfer actions taken by mail as set forth on pages 3 through 59 of these minutes. Judge Rodriguez asked about Judicial Branch efforts to move temporary employees into permanent positions. Thomas Siconolfi and the undersigned reported on efforts currently underway to facilitate the movement of temporary juvenile detention officers, temporary court monitors, temporary court interpreters, temporary assistant clerks and others into permanent positions. Following this discussion the motion was approved unanimously. A second motion was made and seconded to ratify the leave of absence actions and the miscellaneous actions taken by mail as set forth on pages 60 to 63 of these minutes. The motion was approved unanimously.

MEMORANDUM

DATE: May 27, 2010

TO: Judicial Department Executive Committee

FROM: Timothy S. Fisher, President

RE: Connecticut Practice Book, Rules of Professional Conduct, Rule 1.15

In accordance with the Connecticut Practice Book, Rules of Professional Conduct, Rule 1.15, the Connecticut Bar Foundation (CBF) submits the following information regarding Section (g)(4)(B)(i) through Section (g)(4)(B)(viii):

1. Section (g)(4)(B)(i): its proposed goals and objectives for the program.

The Interest on Lawyers' Trust Accounts (IOLTA)/Interest on Trust Accounts (IOTA) revenue during 2009 and the first two quarters of 2010 remained at record lows, and the lack of a Judicial Branch Grants-in-Aid appropriation added to the funding crisis. The revenue from the Court Fees Grants-in-Aid program supplemented the funds available for legal services, although the total revenue fell 68.79%.

The CBF's proposed goals and objectives for the IOLTA/IOTA program are:

- to increase funds available for the provision of legal services for low-income people through
 - the Leadership Bank Program (see list and description attached)
 - P.A. 09-152 which appropriates the yield from increases in several law-related fees to legal aid (see copy attached)
- to expand delivery systems through technology initiatives
- to improve coordination among providers and the courts
- to develop a process for the measurement of the long-term impact of services
- to maintain low administrative costs and invest prudently
- to oversee the grantmaking process, assuring that grants are expended for their designated purpose in accordance with Connecticut Public Act 09-152 and the Connecticut Practice Book, Rules of Professional Conduct, Rule 1.15.

2. Section (g)(4)(B)(ii): the procedures it has established to avoid discrimination in the awarding of grants.

The CBF requires all recipients of grants to provide anti-discrimination assurances to the Foundation. The CBF also requires that the law schools administering scholarship funds granted by the CBF provide such assurances to the CBF. (See Item #3 on attached Law School Assurance Form.)

3. Section (g)(4)(B)(iii): information regarding the insurance and fidelity bond it has procured.

In January 2009, the CBF obtained a Directors and Officers Liability Insurance policy with a \$5 million limit of liability.

4. Section (g)(4)(B)(iv): a description of the recommendations and advice it has received from the Advisory Panel established by General Statutes §51-81c and the action it has taken to implement such recommendations and advice.

The CBF is unaware of any appointees to the Advisory Panel at this time. Therefore, no recommendations or advice have been received.

5. Section (g)(4)(B)(v): the method it utilizes to allocate between the two uses of funds provided for in §51-81c and the frequency with which it disburses funds for such purposes.

The CBF Board of Directors voted to allocate \$30,000 for law school scholarships in 2010. Each of the three in-state law schools receives one-third (1/3) of the available scholarship funds. These funds are disbursed twice a year to the law schools to provide scholarships to Connecticut residents who meet the financial need criteria of the law school.

Further, the CBF Board of Directors voted to disburse \$4,118,000 in grants to legal services providers and allocated \$571,273 for administrative expenses in 2010. The CBF disburses IOLTA and IOTA funds to legal services providers on a monthly basis.

6. Section (g)(4)(B)(vi): the procedures it has established to monitor grantees to ensure that any limitations or restrictions on the use of the granted funds have been observed by the grantees, such procedures to include the receipt of annual audits of each grantee showing compliance with grant awards and setting forth quantifiable levels of services that each grantee has provided with grant funds.

The CBF analyzes applications to confirm that the grantees are organized and function primarily to provide legal services to the poor and are non-profit tax-exempt organizations recognized as Section 501(c)(3) of the Internal Revenue Code. The CBF requires the grantees to supply annual audits including letters from the grantees' auditors stating compliance with the requirements in the application and the assurances. The CBF also requires detailed information in the grant applications, the six-month interim reports,

semi-annual budget reports, and a final accounting of the funds spent. (See attached 2010 Grant Applications and 2009 Budget to Actual Reports.) In addition, the CBF hires an independent auditor to review the papers of the legal services providers' auditors and submit a report to the CBF. This year, AIDS Legal Network, Children's Law Center, Connecticut Fair Housing Center, Greater Hartford Legal Aid, and New Haven Legal Assistance will be subject to these reviews.

Additionally, the Executive Director of the CBF meets regularly with the directors of the legal services programs, and the Grantmaking Committee meets with representatives of the legal services providers and members of their Boards to discuss the grants.

7. Section (g)(4)(B)(vii): the procedures it has established to ensure that no funds that have been awarded to grantees are used for lobbying purposes.

The grantees provide the CBF with assurances that they use no IOLTA funds for lobbying. (See Item #5 on the attached Grant Applicant Assurance Form.) The grantees' audits also include a statement that lobbying expenses are not included in the IOLTA budget.

8. Section (g)(4)(B)(viii): the procedures it has established to segregate funds to be disbursed under the program from other funds of the organization.

The CBF maintains separate accounts for IOLTA funds, Judicial Branch Grants-in-Aid/Court Fees Grants-in-Aid funds, and CBF funds. The CBF auditor shows the IOLTA funds as "Temporarily restricted" in the 2009 Audit Report in accordance with Government Auditing Standards. (See attached audited Financial Statements.)

RE: Report as Directed by the Memorandum of Understanding between the Judicial Branch and the Connecticut Bar Foundation Regarding the Transfer of Funds Received as a Result of Increases in Certain Court Fees to the Connecticut Bar Foundation for the Purpose of Funding the Delivery of Legal Services to the Poor

In accordance with the Memorandum of Understanding between the Judicial Branch and the Connecticut Bar Foundation Regarding the Transfer of Funds Received as a Result of Increases in Certain Court Fees to the Connecticut Bar Foundation for the Purpose of Funding the Delivery of Legal Services to the Poor, the Connecticut Bar Foundation submits the following information regarding Section 3(B)(i) through Section 3(B)(v):

1. Section 3(B)(i): its proposed goals and objectives for the distribution.

The proposed goals and objectives of the Connecticut Bar Foundation (CBF) for the Court Fees Grants-in-Aid (CFGIA) program are:

- to oversee the grantmaking process, assuring that grants are expended for their designated purpose in accordance with Connecticut Public Act 09-152 and the requirements of the 2009 Memorandum of Understanding between the Judicial Branch and the CBF.
- to maintain low administrative costs.

2. Section 3(B)(ii): the procedures it has established to avoid discrimination in the awarding of grants.

The CBF requires all recipients of grants to provide anti-discrimination assurances to the Foundation. See #9 on the attached Court Fees Grants-in-Aid Application Assurance Form.

3. Section 3(B)(iii): the procedures it has established to monitor grant-in-aid recipients to ensure that any limitations or restrictions on the use of the granted funds have been observed by the grant recipients, such procedures to include the receipt of annual audits of each grant recipient showing compliance with grant awards and setting forth quantifiable levels of services that each grants-in-aid recipient has provided with grant funds.

The CBF analyzes applications to confirm that the grantees are organized and function primarily to provide legal services to the poor and are non-profit tax-exempt organizations recognized as Section 501(c)(3) organizations by the IRS. The CBF requires the grantees to supply annual audits including letters from the grantees' auditors stating compliance with the requirements in the application and the assurances. The CBF also requires detailed information in the grant applications, the six-month interim reports, semi-annual budget reports, and a final accounting of the funds spent. See attached 2009-2010 Court Fees Grants-in-Aid Applications.

In addition, the CBF retains an independent auditor to review the papers of the legal services providers' auditors and submit a report to the CBF. We provide the information to the judges as soon as we receive it.

The grantees provide the CBF with signed assurances that they comply with any limitations or restrictions on the use of the grants-in-aid funds. See attached Assurance Form. Annual audits are submitted with the IOLTA applications and are also kept on file with the CFGIA applications.

The CBF requires all grants-in-aid recipients to provide Case Load and Case Distribution information. The CFGIA 2009-2010 Grantee Case Load and Case Distribution information will be submitted in March 2011.

Additionally, the Executive Director of the CBF meets regularly with the directors of the legal services programs, and the Grantmaking Committee meets with representatives of the legal services providers and members of their Boards to discuss the grants.

4. Section 3(B)(iv): the procedures it has established to ensure that no funds that have been awarded to grant-in-aid recipients are used for any purpose other than the purposes set out in this MOU.

The grantees provide the CBF with assurances that they will provide legal services to the poor consistent with the overall purpose of the program. See #5 on the attached Court Fees Grants-in-Aid Assurance Form.

5. Section 3(B)(v): the procedures it has established to segregate funds received under this MOU from other funds of the organization.

Separate checking accounts are kept for the IOLTA funds, the Judicial Branch Grants-in-Aid/Court Fees Grants-in-Aid funds, and the CBF funds. A State Single Audit was conducted in accordance with C.G.S. Sections 4-230 to 4-236. See attached audited Financial Statements.
