

## GENERAL ANNOUNCEMENT TO BE READ AT SHORT CALENDAR FROM THE BENCH

In 2008, Chief Justice Chase Rogers formed the Public Service and Trust Commission. One of the goals identified by the Commission is:

The Judicial Branch will improve its communication and collaboration with the Executive and Legislative Branches of government and their agencies, the Bar, other partners, and the public, as well as within the Branch, to better serve the needs of all who interact with it.

To help achieve this goal, Chief Clerk Robert Axelrod and Presiding Judge Corinne Klatt are organizing the fourth Legal Exchange meeting, to take place on **FEBRUARY 24, 2016 AT 2:00 PM IN THE JURY ASSEMBLY ROOM**. This meeting will provide a forum for discussing various local issues, provide information about the implementation of new rules and policies, and address problems that may arise between the Clerk's Office and members of the Bar. Your input is important and necessary for the success of this meeting. Please feel free to contact the Clerk's Office regarding this initiative. Thank you.
