The Committee represents that:

1. He or she has sold the property in this action to the buyer named above and has entered into a Sales Agreement with the buyer;
2. The following defendant(s) are in possession of the property and have told the Committee that they have no present intention of vacating the property;

3. The buyer wants to obtain possession in connection with his or her acquiring title to the property under the court's order.

The Committee therefore moves the Court to order the defendants to deliver possession of the property to the buyer when the title to the property is transferred.
